CRIMINAL BRANCH-BEFORE JUDGE FOOTE. A case of more than ordinary interest was tried to a jury in this branch yesterday. It is that of the State vs. Benjamin F. Wright, indicted for grand larceny. The facts in the case are these: One morning last month the prosecuting witness, Henry Tobien, grocer on Bt. His uspicions had no special direction until a week or ten days later, when he received at his grocery, in payment for articles purchased by Mr. Wright, a neighbor of his, a five or ten dollar bill, which he identified as one of the greenbacks in his laid-away, missing package, by the name "Hill" written on its back. He had Wright arrested, and this trial is the upshot of the suspicion. Mr. Wright, of the firm of Page, Wright & Co., Painters of this city, has always sus-
